Access to Carnival

Cowley Road Carnival is an inclusive event which aims to include everyone in everything we do. We have tried to make our event as accessible as possible in terms of site layout, website and artistic programming.

We will be continually working to improve the accessibility of the Carnival event but if you have any suggestions or are experiencing any difficulties please do not hesitate to let us know.

Journey Assistance Cards are available for you to use if you need a bit more help when using the bus. They'll make it easier for you to let Stagecoach bus drivers know what extra help you need.

Journey assistance cards are available if you have

- limited vision or hearing
- difficulty in communicating
- special educational needs
- English is not your first language
- you need extra time or help to find a seat
